Enhanced Safety Measures

March 18, 2020

The Workforce Solutions North Texas Board Administration made the decision on March 12, 2020, to cancel events through the end of April out of an abundance of caution to protect our customers and staff. As the COVID-19 virus' impact continues to develop, we want to assure you that we are continuing to monitor the situation and are responding to advice from health professionals and government officials at the federal, state and local level. Effective today, we will be modifying our service delivery for the health and safety of our customers and staff until further notice.

Here are the steps we are taking to protect you and to slow the spread of the virus in our community:

Cancellations and Service Delivery Modifications

We take seriously the advice of the authorities and believe it is our social responsibility to put first emphasis on the health and well-being of our customers and staff. We believe that cancelling all events and convenings is imperative to slow the spread of the coronavirus (COVID-19) through a "social distancing" approach. Therefore, we will be closing all offices and suspending all in-person services, meetings, and orientations until further notice. Staff will still be on site or teleworking to provide 1-on-1 or group phone conferencing, video conferencing, and/or pre-recorded videos.
