

LEAF CIRCLE TIME PROPS

© [Teaching 2 and 3 Year Olds](#)

Directions: Cut out the desired colors of leaves. (Make more copies if needed.) Heavy or laminated paper is recommended. Tape to the end of a popsicle stick to make props that can be held while reading leaf stories or singing leaf songs.

By downloading this printable, you are agreeing to our [terms of service](#).

You may:

- Print as many copies as you'd like to use in your own classroom, home, hospital, church, public or school library, or with a child in your care.
- Share the printed materials in printed form only as long as you are not selling them.
- Share how you used our printables online, giving proper credit to Teaching 2 and 3 Year Olds, linking back to the original source.
- Show my resources to students in online teaching classes.

You may **NOT**:

- Claim files as your own.
- Alter our electronics files in any way.
- Sell any printables from this site in digital or printed form.
- Link directly to any pdf. Instead please link to the page or post where this printable is located.
- Store or distribute our files in any other website or another location such as Amazon Inspire, 4Shared, Mediafire, Dropbox, Facebook groups and forums. You may **not** upload files to school district websites or any online or electronic sharing services.
- Email our files to anyone or transmit them in any other fashion.
