Good morning,

After our Doodle poll closed, the majority of our committee members can meet this Monday, June 14, so I apologize for the short notice. Please join us to discuss our in-demand industry list for North Texas. We selected broad "2-digit" industries via email in March and need to hone the list to more specific, 4-digit industries based on NAICS industry codes. The full board will ratify our selections in the board meeting on June 24.

If you have additional discussion topics for this meeting, please let me know. I will send out the agenda and supporting documents this afternoon.

Topic: WSNT Outreach Committee Meeting
